Sub:- Regarding empanelment of private hospitals and other problems being faced by private hospitals under Bhamashah Swasthya Bima Yojana.

Ref:- Agreement dated 3.09.15 between Medical and Health Department and Your Company, letter no. 95 dated 12.01.16, 100 and 102 dated 25.01.16 of undersigned.

Sir,

With reference to the subject line many times it has been directed in meetings and in written to resolve the issues related to following w.r.t private hospitals in implementation of Bhamashah Swasthya Bima Yojana:-

1. Empanelment of private hospitals in sufficient number with minimum of one secondary level in each block and one of tertiary level in each dist. Head quarter, progress received so far no progress in this regard has been reported from your end.
2. Many applications are still pending at your end in want of approval for empanelment for no valid reasons. These include the 35 applications of private hospitals handed over to Ms. Mangla by undersigned.
3. Many private hospitals are still waiting for user IDs and passwords and because of lack of these they are unable to implement Bhamashah Swasthya Bima Yojana.
4. Lack of IEC in private hospitals resulting in lesser claims in private institutions.

You are directed to ensure that all districts are adequately covered, disposal of pending applications indicated in point no. 2 above, private hospitals are issued with proper user IDs and passwords and proper IEC on these private institutions.
