Sub:- Request for district and block level offices information for providing connectivity under RajSWAN project

Sir,

Government of Rajasthan (GoR) is in process of establishing a Rajasthan State Wide Area Network (RajSWAN) in the state under National e-Governance Plan (NeGP). The RajSWAN is envisaged as the network for data, voice and video communications throughout the state. RajSWAN would act as the vehicle for effective implementation of e-Governance across the state.

Department of Information Technology & Communication (DoIT&C) has nominated RajCOMP Info Services Limited (formally RajCOMP) as the State Designated Agency for the establishment of State Wide Area Network (SWAN). RISL has selected the consortium of Bharti Airtel Limited, Bharti Airtel Services Limited and Trimax IT Infrastructure & Services Limited as the RajSWAN Operator.

Your department has been identified under the RajSWAN project for network connectivity for data, video and voice communications in all the Districts and Blocks of Rajasthan. In order to enable us to finalize offices to be networked under this project, we here by request you to kindly direct the concerned officer to provide the **list of all the offices in your department in districts and blocks** in pro-forma annexed herewith.

For further queries related to the Rajasthan State Wide Area Network project, concern officer may please contact the Officer-in-Charge as per details are given below:

Mr. Gaurav Chaturvedi
Project Manager (RSWAN), RISL
Contact No: 0141-2220097
