THE PRE-NATAL DIAGNOSTIC TECHNIQUES
(PROHIBITION OF SEX-SELECTION) ACT, 1994
ACT NO. 57 OF 1994
[20th September, 1994]

An Act to provide for the prohibition of sex selection, before or after conception, and for regulation of pre-natal diagnostic techniques for the purposes of detecting genetic abnormalities or metabolic disorders or chromosomal abnormalities or certain congenital malformations or sex-linked disorders and for the prevention of their misuse for sex determination leading to female foeticide; and, for matters connected therewith or incidental thereto.

BE it enacted by Parliament in the Forty-fifth Year of the Republic of India as follows:--

CHAPTER I
PRELIMINARY

1. Short title, extent and commencement. - (1) This Act may be called the Pre-conception and Pre-natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994.

(2) It shall extend to the whole of India except the State of Jammu and Kashmir.

(3) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint.

2. Definitions. - In this Act, unless the context otherwise requires,--

(a) "Appropriate Authority" means the Appropriate Authority appointed under section 17;

(b) "Board" means the Central Supervisory Board constituted under section 7;

(ba) "conceptus" means any product of conception at any stage of development from fertilization until birth including extra embryonic membranes as well as the embryo or foetus;

(bb) "Embryo" means a developing human organism after fertilization till the end of eight weeks (fifty-six days);

(bc) "foetus" means a human organism during the period of its development beginning on the fifty-seventh day following fertilization or creation (excluding any time in which its development has been suspended) and ending at the birth;

(c) "Genetic Counselling Centre" means an institute, hospital, nursing home or any place, by whatever name called, which provides for genetic counselling to patients;

(d) "Genetic Clinic" means a clinic, institute, hospital, nursing home or any place, by whatever name called, which is used for conducting pre-natal diagnostic procedures.

Explanation- For the purposes of this clause, ‘Genetic Clinic’ includes a vehicle, where ultrasound machine or imaging machine or scanner or other equipment capable of determining sex of the foetus or a portable equipment which has the potential for detection of sex during pregnancy or selection of sex before conception, is used.

(e) "Genetic Laboratory" means a laboratory and includes a place where facilities are provided for conducting analysis or tests of samples received from Genetic Clinic for pre-natal diagnostic test.

Explanation- For the purposes of this clause, ‘Genetic Laboratory’ includes a place where ultrasound machine or imaging machine or scanner or other equipment capable of determining sex of the foetus or a portable equipment which has the potential for detection of sex during pregnancy or selection of sex before conception, is used.

(f) "Gynaecologist" means a person who possesses a post-graduate qualification in gynaecology and obstetrics;

(g) "Medical geneticist" includes a person who possesses a degree or diploma in genetic science in the fields of sex selection and pre-natal diagnostic techniques or has experience of not less than two years in such field after obtaining--

(i) any one of the medical qualifications recognised under the Indian Medical Council Act, 1956 (102 of 1956); or

(ii) A post-graduate degree in biological sciences;

(h) "Paediatrician" means a person who possesses a post-graduate qualification in pediatrics;

(i) "pre-natal diagnostic procedures" means all gynaecological or obstetrical or medical procedures such as ultrasonography, foetoscopy, taking or removing samples of amniotic fluid, chorionic villi,
blood or any other tissue or fluid of a man, or of a woman for being sent to a Genetic Laboratory or Genetic Clinic for conducting any type of analysis or pre-natal diagnostic tests for selection of sex before or after conception;

(j) "pre-natal diagnostic techniques" includes all pre-natal diagnostic procedures and prenatal diagnostic tests;

(k) "pre-natal diagnostic test" means ultrasonography or any test or analysis of amniotic fluid, chorionic villi, blood or any tissue or fluid of a pregnant woman or conceptus conducted to detect genetic or metabolic disorders or chromosomal abnormalities or congenital anomalies or haemoglobinopathies or sex-linked diseases;

(l) "Prescribed" means prescribed by rules made under this Act;

(m) "registered medical practitioner" means a medical practitioner who possesses any recognised medical qualification as defined in clause (h) of section 2 of the Indian Medical Council Act, 1956, (102 of 1956.) and whose name has been entered in a State Medical Register;

(n) "Regulations" means regulations framed by the Board under this Act;

(o) “Sex selection” includes any procedure, technique, test or administration or prescription or provision of anything for the purpose of ensuring or increasing the probability that an embryo will be of a particular sex;

(p) “Sonologist or imaging specialist” means a person who possesses any one of the medical qualifications recognized under the Indian Medical Council Act, 1956 or who possesses a post-graduate qualification in ultrasonography or imaging techniques or radiology;

(q) “State Board” means a State Supervisory Board or a Union territory Supervisory Board constituted under Section 16A;

(r) “State Government” in relation to Union territory with Legislature means the Administrator of that Union territory appointed by the President under article 239 of Constitution.

CHAPTER II
REGULATION OF GENETIC COUNSELLING CENTRES, GENETIC LABORATORIES AND GENETIC CLINICS

3. Regulation of Genetic Counselling Centres, Genetic Laboratories and Genetic Clinics.- On and from the commencement of this Act,--

(1) no Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic unless registered under this Act, shall conduct or associate with, or help in, conducting activities relating to pre-natal diagnostic techniques;

(2) no Genetic Counselling Centre or Genetic Laboratory or Genetic Clinic shall employ or cause to be employed or take services of any person, whether on honorary basis or on payment who does not possess qualifications as may be prescribed;

(3) no medical geneticist, gynaecologist, paediatrician, registered medical practitioner or any other person shall conduct or cause to be conducted or aid in conducting by himself or through any other person, any pre-natal diagnostic techniques at a place other than a place registered under this Act.

3A. Prohibition of sex-selection.- No person, including a specialist or a team of specialists in the field of infertility, shall conduct or cause to be conducted or aid in conducting by himself or by any other person, sex selection on a woman or a man or on both or on any tissue, embryo, conceptus, fluid or gametes derived from either or both of them.

3B. Prohibition on sale of ultrasound machines, etc., to persons, laboratories, clinics, etc. not registered under the Act.- No person shall sell any ultrasound machine or imaging machine or scanner or any other equipment capable of detecting sex of foetus to any Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic or any other person not registered under the Act.

CHAPTER III
REGULATION OF PRE-NATAL DIAGNOSTIC TECHNIQUES

4. Regulation of pre-natal diagnostic techniques.- On and from the commencement of this Act,--

(1) no place including a registered Genetic Counselling Centre or Genetic Laboratory or Genetic Clinic shall be used or caused to be used by any person for conducting pre-natal diagnostic techniques except
for the purposes specified in clause (2) and after satisfying any of the conditions specified in clause (3);

(2) No pre-natal diagnostic techniques shall be conducted except for the purposes of detection of any of the following abnormalities, namely:--

(i) Chromosomal abnormalities;
(ii) Genetic metabolic diseases;
(iii) Haemoglobinopathies;
(iv) Sex-linked genetic diseases;
(v) Congenital anomalies;
(vi) Any other abnormalities or diseases as may be specified by the Central Supervisory Board;

(3) no pre-natal diagnostic techniques shall be used or conducted unless the person qualified to do so is satisfied for reasons to be recorded in writing that any of the following conditions are fulfilled, namely:--

(i) Age of the pregnant woman is above thirty-five years;
(ii) The pregnant woman has undergone two or more spontaneous abortions or foetal loss;
(iii) The pregnant woman had been exposed to potentially teratogenic agents such as drugs, radiation, infection or chemicals;
(iv) The pregnant woman or her spouse has a family history of mental retardation or physical deformities such as, spasticity or any other genetic disease;
(v) Any other condition as may be specified by the Central Supervisory Board; Provided that the person conducting ultrasonography on a pregnant woman shall keep complete record thereof in the clinic in such manner, as may be prescribed, and any deficiency or inaccuracy found therein shall amount to contravention of provisions of section 5 or section 6 unless contrary is proved by the person conducting such ultrasonography;

(4) No person including a relative or husband of the pregnant woman shall seek or encourage the conduct of any pre-natal diagnostic techniques on her except for the purposes specified in clause (2).

(5) No person including a relative or husband of a woman shall seek or encourage the conduct of any sex-selection technique on her or him or both.

5. Written consent of pregnant woman and prohibition of communicating the sex of foetus.

(1) No person referred to in clause (2) of section 3 shall conduct the pre-natal diagnostic procedures unless—

(a) He has explained all known side and after effects of such procedures to the pregnant woman concerned;
(b) He has obtained in the prescribed form her written consent to undergo such procedures in the language which she understands; and
(c) A copy of her written consent obtained under clause (b) is given to the pregnant woman.

(2) No person including the person conducting pre-natal diagnostic procedures shall communicate to the pregnant woman concerned or her relatives or any other person the sex of the foetus by words, signs or in any other manner.

6. Determination of sex prohibited.- On and from the commencement of this Act,--

(a) no Genetic Counselling Centre or Genetic Laboratory or Genetic Clinic shall conduct or cause to be conducted in its Centre, Laboratory or Clinic, pre-natal diagnostic techniques including ultrasonography, for the purpose of determining the sex of a foetus;
(b) no person shall conduct or cause to be conducted any pre-natal diagnostic techniques including ultrasonography for the purpose of determining the sex of a foetus;
(c) no person shall, by whatever means, cause or allow to be caused selection of sex before or after conception.

CHAPTER IV
CENTRAL SUPERVISORY BOARD

7. Constitution of Central Supervisory Board.- (1) The Central Government shall constitute a Board to be known as the Central Supervisory Board to exercise the powers and perform the functions conferred on the Board under this Act.
(2) The Board shall consist of—
(a) The Minister in charge of the Ministry or Department of Family Welfare, who shall be the Chairman, *ex officio*;
(b) The Secretary to the Government of India in charge of the Department of Family Welfare, who shall be the Vice-Chairman, *ex officio*;
(c) three members to be appointed by the Central Government to represent the Ministries of Central Government in charge of Women and Child Development, Department of Legal Affairs or Legislative Department in the Ministry of Law and Justice, and Indian System of Medicine and Homoeopathy, *ex officio*;
(d) The Director General of Health Services of the Central Government, *ex officio*;
(e) Ten members to be appointed by the Central Government, two each from amongst—
   (i) Eminent medical geneticists;
   (ii) Eminent gynaecologist and obstetrician or expert of stri-roga or prasuti-tantra;
   (iii) Eminent paediatricians;
   (iv) Eminent social scientists; and
   (v) Representatives of women welfare organisations;
   (f) three women Members of Parliament, of whom two shall be elected by the House of the People and one by the Council of States;
(g) four members to be appointed by the Central Government by rotation to represent the States and the Union territories, two in the alphabetical order and two in the reverse alphabetical order: Provided that no appointment under this clause shall be made except on the recommendation of the State Government or, as the case may be, the Union territory;
(h) an officer, not below the rank of a Joint Secretary or equivalent of the Central Government, in charge of Family Welfare, who shall be the Member-Secretary, *ex officio*.

8. **Term of office of members.**
(1) The term of office of a member, other than an *ex officio* member, shall be,—
   (a) In case of appointment under clause (e) or clause (f) of sub-section (2) of section 7, three years; and
   (b) In case of appointment under clause (g) of the said subsection, one year.
(2) If a casual vacancy occurs in the office of any other members, whether by reason of his death, resignation or inability to discharge his functions owing to illness or other incapacity, such vacancy shall be filled by the Central Government by making a fresh appointment and the member so appointed shall hold office for the remainder of the term of office of the person in whose place he is so appointed.
(3) The Vice-Chairman shall perform such functions as may be assigned to him by the Chairman from time to time.
(4) The procedure to be followed by the members in the discharge of their functions shall be such as may be prescribed.

9. **Meetings of the Board.**
(1) The Board shall meet at such time and place, and shall observe such rules of procedure in regard to the transaction of business at its meetings (including the quorum at such meetings) as may be provided by regulations: Provided that the Board shall meet at least once in six months.
(2) The Chairman and in his absence the Vice-Chairman shall preside at the meetings of the Board.
(3) If for any reason the Chairman or the Vice-Chairman is unable to attend any meeting of the Board, any other member chosen by the members present at the meeting shall preside at the meeting.
(4) All questions which come up before any meeting of the Board shall be decided by a majority of the votes of the members present and voting, and in the event of an equality of votes, the Chairman, or in his absence, the person presiding, shall have and exercise a second or casting vote.
(5) Members other than *ex officio* members shall receive such allowances, if any, from the Board as may be prescribed.
(a) Any vacancy in, or any defect in the constitution of, the Board; or
(b) Any defect in the appointment of a person acting as a member of the Board; or
(c) Any irregularity in the procedure of the Board not affecting the merits of the case.

**11. Temporary association of persons with the Board for particular purposes.** (1) The Board may associate with itself, in such manner and for such purposes as may be determined by regulations, any person whose assistance or advice it may desire in carrying out any of the provisions of this Act.
(2) A person associated with it by the Board under sub-section (1) for any purpose shall have a right to take part in the discussions relevant to that purpose, but shall not have a right to vote at a meeting of the Board and shall not be a member for any other purpose.

**12. Appointment or officers and other employees of the Board.**— (1) For the purpose of enabling it efficiently to discharge its functions under this Act, the Board may, subject to such regulations as may be made in this behalf, appoint (whether on deputation or otherwise) such number of officers and other employees as it may consider necessary: Provided that the appointment of such category of officers, as may be specified in such regulations, shall be subject to the approval of the Central Government.
(2) Every officer or other employee appointed by the Board shall be subject to such conditions of service and shall be entitled to such remuneration as may be specified in the regulations.

**13. Authentication of orders and other instruments of the Board.**— All orders and decisions of the Board shall be authenticated by the signature of the Chairman or any other member authorised by the Board in this behalf, and all other instruments issued by the Board shall be authenticated by the signature of the Member-Secretary or any other officer of the Board authorised in like manner in this behalf.

**14. Disqualifications for appointment as member.**— A person shall be disqualified for being appointed as a member if, he—
(a) Has been convicted and sentenced to imprisonment for an offence which, in the opinion of the Central Government, involves moral turpitude; or
(b) Is an undischarged insolvent; or
(c) Is of unsound mind and stands so declared by a competent court; or
(d) Has been removed or dismissed from the service of the Government or a Corporation owned or controlled by the Government; or
(e) has, in the opinion of the Central Government, such financial or other interest in the Board as is likely to affect prejudicially the discharge by him of his functions as a member; or
(f) Has, in the opinion of the Central Government, been associated with the use or promotion of pre-natal diagnostic technique for determination of sex or with any sex selection technique.

**15. Eligibility of member for reappointment.**— Subject to the other terms and conditions of service as may be prescribed, any person ceasing to be a member shall be eligible for reappointment as such member. Provided that no member other than an *ex officio* member shall be appointed for more than two consecutive terms.

**16. Functions of the Board.** — The Board shall have the following functions, namely:—
(i) To advise the Central Government on policy matters relating to use of pre-natal diagnostic techniques, sex selection techniques and against their misuse;
(ii) To review and monitor implementation of the Act and rules made thereunder and recommend to the Central Government changes in the said Act and rules;
(iii) To create public awareness against the practice of pre-conception sex selection and pre-natal determination of sex of foetus leading to female foeticide;
(iv) To lay down code of conduct to be observed by persons working at Genetic Counselling Centres, Genetic Laboratories and Genetic Clinics;
(v) To oversee the performance of various bodies constituted under the Act and take appropriate steps to ensure its proper and effective implementation;
(vi) Any other functions as may be prescribed under the Act.

**16A. Constitution of State Supervisory Board and Union territory Supervisory Board.**—
(1) Each State and Union territory having Legislature shall constitute a Board to be known as the State Supervisory Board or the Union territory Supervisory Board, as the case may be, which shall have the following functions:-
i) To create public awareness against the practice of pre-conception sex selection and pre-natal determination of sex of foetus leading to female foeticide in the State;
ii) To review the activities of the Appropriate Authorities functioning in the State and recommend appropriate action against them;
iii) To monitor the implementation of provisions of the Act and the rules and make suitable recommendations relating thereto, to the Board;
v) To send such consolidated reports as may be prescribed in respect of the various activities undertaken in the State under the Act to the Board and the Central Government; and
v) Any other functions as may be prescribed under the Act.

(2) The State Board shall consist of:-
a) The Minister in charge of Health and Family Welfare in the State, who shall be the Chairperson, \textit{ex officio};
b) The Secretary in charge of the Department of Health and Family Welfare who shall be the Vice-Chairperson, \textit{ex officio};
c) Secretaries or Commissioners in charge of Departments of Women and Child Development, Social Welfare, Law and Indian System of Medicines and Homoeopathy, \textit{ex officio}, or their representatives;
d) Director of Health and Family Welfare or Indian System of Medicines and Homoeopathy of the State Government, \textit{ex officio};
e) Three women members of Legislative Assembly or Legislative Council;
f) Ten members to be appointed by the State Government out of which two each shall be from the following categories:
\begin{itemize}
  \item Eminent social scientists and legal experts;
  \item Eminent women activists from non-governmental organizations or otherwise;
  \item Eminent gynaecologists and obstetricians or experts of \textit{stri-roga} or \textit{prasuti tantra};
  \item Eminent paediatricians or medical geneticists;
  \item Eminent radiologists or sonologists;
\end{itemize}
g) An officer not below the rank of Joint Director in charge of Family Welfare, who shall be the Member Secretary, \textit{ex officio}.

(3) The State Board shall meet at least once in four months.

(4) The term of office of a member, other than an \textit{ex officio} member, shall be three years.

(5) If a vacancy occurs in the office of any member other than an \textit{ex officio} member, it shall be filled by making fresh appointment.

(6) If a member of the Legislative Assembly or member of the Legislative Council who is a member of the State Board, becomes Minister or Speaker or Deputy Speaker of the Legislative Assembly or Chairperson or Deputy Chairperson of the Legislative Council, she shall cease to be a member of the State Board.

(7) One-third of the total number of members of the State Board shall constitute the quorum.

(8) The State Board may co-opt a member as and when required, provided that the number of co-opted members does not exceed one-third of the total strength of the State Board.

(9) The co-opted members shall have the same powers and functions as other members, except the right to vote and shall abide by the rules and regulations.

(10) In respect of matters not specified in this section, the State Board shall follow procedures and conditions as are applicable to the Board.

\textbf{CHAPTER V}

\textbf{APPROPRIATE AUTHORITY AND ADVISORY COMMITTEE}

\textbf{17. Appropriate Authority and Advisory Committee.-} (1) The Central Government shall appoint, by notification in the Official Gazette, one or more Appropriate Authorities for each of the Union territories for the purposes of this Act.
(2) The State Government shall appoint, by notification in the Official Gazette, one or more Appropriate Authorities for the whole or part of the State for the purposes of this Act having regard to the intensity of the problem of pre-natal sex determination leading to female foeticide.

(3) The officers appointed as Appropriate Authorities under sub-section (1) or subsection (2) Shall be,-

(a) When appointed for the whole of the State or the Union territory, consisting of the following three members
   i) An officer of or above the rank of the Joint Director of Health and Family Welfare-Chairperson;
   ii) An eminent woman representing women’s organization; and
   iii) An officer of Law Department of the State or the Union territory concerned: Provided that it shall be the duty of the State or the Union territory concerned to constitute multi-member State or Union territory level Appropriate Authority within three months of the coming into force of the Pre-natal Diagnostic Techniques (Regulation and Prevention of Misuse) Amendment Act, 2002: Provided further that any vacancy occurring therein shall be filled within three months of that occurrence.

(b) When appointed for any part of the State or the Union territory, of such other rank as the State Government or the Central Government, as the case may be, may deem fit.

(4) The Appropriate Authority shall have the following functions, namely:--

(a) To grant, suspend or cancel registration of a Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic;

(b) To enforce standards prescribed for the Genetic Counselling Centre, Genetic Laboratory and Genetic Clinic;

(c) To investigate complaints of breach of the provisions of this Act or the rules made thereunder and take immediate action;

(d) To seek and consider the advice of the Advisory Committee, constituted under sub-section (5), on application for registration and on complaints for suspension or cancellation of registration;

(e) To take appropriate legal action against the use of any sex selection technique by any person at any place, suo-motu or brought to its notice and also to initiate independent investigations in such matter;

(f) To create public awareness against the practice of sex selection or prenatal determination of sex;

(g) To supervise the implementation of the provisions of the Act and rules;

(h) To recommend to the CSB and State Boards modifications required in the rules in accordance with changes in technology or social conditions;

(i) To take action on the recommendations of the Advisory Committee made after investigation of complaint for suspension or cancellation of registration.

(5) The Central Government or the State Government, as the case may be, shall constitute an Advisory Committee for each Appropriate Authority to aid and advise the Appropriate Authority in the discharge of its functions, and shall appoint one of the members of the Advisory Committee to be its Chairman.

(6) The Advisory Committee shall consist of—

(a) Three medical experts from amongst gynaecologists, obstetricians, paediatricians and medical geneticists;

(b) One legal expert;

(c) One officer to represent the department dealing with information and publicity of the State Government or the Union territory, as the case may be;

(d) three eminent social workers of whom not less than one shall be from amongst representatives of women's organisations.

(7) No person who has been associated with the use or promotion of pre-natal diagnostic technique for determination of sex or sex selection shall be appointed as a member of the Advisory Committee.

(8) The Advisory Committee may meet as and when it thinks fit or on the request of the Appropriate Authority for consideration of any application for registration or any complaint for suspension or
cancellation of registration and to give advice thereon: Provided that the period intervening between any two meetings shall not exceed the prescribed period.

(9) The terms and conditions subject to which a person may be appointed to the Advisory Committee and the procedure to be followed by such Committee in the discharge of its functions shall be such as may be prescribed.

17A. Powers of Appropriate Authorities.- The Appropriate Authority shall have the powers in respect of the following matters, namely:-

a) Summoning of any person who is in possession of any information relating to violation of the provisions of this Act or the rules made thereunder;

b) Production of any document or material object relating to clause (a);

c) Issuing search warrant for any place suspected to be indulging in sex selection techniques or pre-natal sex determination; and

d) Any other matter which may be prescribed.

CHAPTER VI
REGISTRATION OF GENETIC COUNSELLING CENTRES, GENETIC LABORATORIES AND GENETIC CLINICS

18. Registration of Genetic Counselling Centres, Genetic Laboratories or Genetic Clinics.

(1) No person shall open any Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic, including clinic, laboratory or center having ultrasound or imaging machine or scanner or any other technology capable of undertaking determination of sex of foetus and sex selection, or render services to any of them, after the commencement of the Pre-natal Diagnostic Techniques (Regulation and Prevention of Misuse) Amendment Act, 2002 unless such centre, laboratory or clinic is duly registered under the Act.

(2) Every application for registration under sub-section (1), shall be made to the Appropriate Authority in such form and in such manner and shall be accompanied by such fees as may be prescribed.

(3) Every Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic engaged, either partly or exclusively, in counselling or conducting pre-natal diagnostic techniques for any of the purposes mentioned in section 4, immediately before the commencement of this Act, shall apply for registration within sixty days from the date of such commencement.

(4) Subject to the provisions of section 6, every Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic engaged in counselling or conducting pre-natal diagnostic techniques shall cease to conduct any such counselling or technique on the expiry of six months from the date of commencement of this Act unless such Centre, Laboratory or Clinic has applied for registration and is so registered separately or jointly or till such application is disposed of, whichever is earlier.

(5) No Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic shall be registered under this Act unless the Appropriate Authority is satisfied that such Centre, Laboratory or Clinic is in a position to provide such facilities, maintain such equipment and standards as may be prescribed.

19. Certificate of registration.-

(1) The Appropriate Authority shall, after holding an inquiry and after satisfying itself that the applicant has complied with all the requirements of this Act and the rules made thereunder and having regard to the advice of the Advisory Committee in this behalf, grant a certificate of registration in the prescribed form jointly or separately to the Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic, as the case may be.

(2) If, after the inquiry and after giving an opportunity of being heard to the applicant and having regard to the advice of the Advisory Committee, the Appropriate Authority is satisfied that the applicant has not complied with the requirements of this Act or the rules, it shall, for reasons to be recorded in writing, reject the application for registration.

(3) Every certificate of registration shall be renewed in such manner and after such period and on payment of such fees as may be prescribed.

(4) The certificate of registration shall be displayed by the registered Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic in a conspicuous place at its place of business.
20. Cancellation or suspension of registration.-
(1) The Appropriate Authority may suo-motu, or on complaint, issue a notice to the Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic to show cause why its registration should not be suspended or cancelled for the reasons mentioned in the notice.
(2) If, after giving a reasonable opportunity of being heard to the Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic and having regard to the advice of the Advisory Committee, the Appropriate Authority is satisfied that there has been a breach of the provisions of this Act or the rules, it may, without prejudice to any criminal action that it may take against such Centre, Laboratory or Clinic, suspend its registration for such period as it may think fit or cancel its registration, as the case may be.
(3) Notwithstanding anything contained in sub-sections (1) and (2), if the Appropriate Authority is, of the opinion that it is necessary or expedient so to do in the public interest, it may, for reasons to be recorded in writing, suspend the registration of any Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic without issuing any such notice referred to in sub-section (1).

21. Appeal. The Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic may, within thirty days from the date of receipt of the order of suspension or cancellation of registration passed by the Appropriate Authority under section 20, prefer an appeal against such order to—
   (i) The Central Government, where the appeal is against the order of the Central Appropriate Authority; and
   (ii) the State Government, where the appeal is against the order of the State Appropriate Authority, in the prescribed manner.

CHAPTER VII
OFFENCES AND PENALTIES

22. Prohibition of advertisement relating to pre-natal determination of sex and punishment for contravention.-
(1) No person, organization, Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic, including clinic, laboratory or center having ultrasound machine or imaging machine or scanner or any other technology capable of undertaking determination of sex of foetus or sex selection shall issue, publish, distribute, communicate or cause to be issued, published, distributed or communicated any advertisement, in any form, including internet, regarding facilities of pre-natal determination of sex or sex selection before conception available at such center, laboratory, clinic or at any other place.
(2) No person or organization including Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic shall issue, publish, distribute, communicate or cause to be issued, published, distributed or communicated any advertisement in any manner regarding prenatal determination or pre-conception selection of sex by any means whatsoever, scientific or otherwise.
(3) Any person who contravenes the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to three years and with fine which may extend to ten thousand rupees.

Explanation.--For the purposes of this section, "advertisement" includes any notice, circular, label, wrapper or any other document including advertisement through internet or any other media in electronic or print form and also includes any visible representation made by means of any hoarding, wall-painting, signal, light, sound, smoke or gas.

23. Offences and penalties.-
(1) Any medical geneticist, gynaecologist, registered medical practitioner or any person who owns a Genetic Counselling Centre, a Genetic Laboratory or a Genetic Clinic or is employed in such a Centre, Laboratory or Clinic and renders his professional or technical services to or at such a Centre, Laboratory or Clinic, whether on an honorary basis or otherwise, and who contravenes any of the provisions of this Act or rules made thereunder shall be punishable with imprisonment for a term which may extend to three years and with fine which may extend to ten thousand rupees and on any subsequent conviction, with imprisonment which may extend to five years and with fine which may extend to fifty thousand rupees.
The name of the registered medical practitioner shall be reported by the Appropriate Authority to the State Medical Council concerned for taking necessary action including suspension of the registration if the charges are framed by the court and till the case is disposed of and on conviction for removal of his name from the register of the Council for a period of five years for the first offence and permanently for the subsequent offence.

Any person who seeks the aid of a Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic or ultrasound clinic or imaging clinic or of a medical geneticist, gynaecologist, sonologist or imaging specialist or registered medical practitioner or any other person for sex selection or for conducting pre-natal diagnostic techniques on any pregnant women for the purposes other than those specified in sub-section (2) of section 4, he shall, be punishable with imprisonment for a term which may extend to three years and with fine which may extend to fifty thousand rupees for the first offence and for any subsequent offence with imprisonment which may extend to five years and with fine which may extend to one Lakh rupees.

For the removal of doubts, it is hereby provided, that the provisions of sub-section (3) shall not apply to the woman who was compelled to undergo such diagnostic techniques or such selection.

24. Presumption in the case of conduct of pre-natal diagnostic techniques.- Notwithstanding anything contained in the Indian Evidence Act, 1872, the court shall presume unless the contrary is proved that the pregnant woman was compelled by her husband or any other relative, as the case may be, to undergo pre-natal diagnostic technique for the purposes other than those specified in sub-section (2) of section 4 and such person shall be liable for abetment of offence under sub-section (3) of section 23 and shall be punishable for the offence specified under that section.

25. Penalty for contravention of the provisions of the Act or rules for which no specific punishment is provided.- Whoever contravenes any of the provisions of this Act or any rules made thereunder, for which no penalty has been elsewhere provided in this Act, shall be punishable with imprisonment for a term which may extend to three months or with fine, which may extend to one thousand rupees or with both and in the case of continuing contravention with an additional fine which may extend to five hundred rupees for every day during which such contravention continues after conviction for the first such contravention.

26. Offences by companies.-

(1) Where any offence, punishable under this Act has been committed by a company, every person who, at the time the offence was committed was in charge of, and was responsible to the company for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly: Provided that nothing contained in this sub-section shall render any such person liable to any punishment, if he proves that the offence was committed without his knowledge or that he had exercised all due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1), where any offence punishable under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of, any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

Explanation.--For the purposes of this section,--

(a) "Company" means anybody corporate and includes a firm or other association of individuals, and

(b) "director", in relation to a firm, means a partner in the firm.

27. Offence to be cognizable, non-bailable and non-compoundable.-Every offence under this Act shall be cognizable, non-bailable and non-compoundable.

28. Cognizance of offences. (1) No court shall take cognizance of an offence under this Act except on a complaint made by--

(a) the Appropriate Authority concerned, or any officer authorised in this behalf by the Central Government or State Government, as the case may be, or the Appropriate Authority; or
(b) a person who has given notice of not less than fifteen days in the manner prescribed, to the
Appropriate Authority, of the alleged offence and of his intention to make a complaint to the
court.

Explanation.--For the purpose of this clause, "person" includes a social organisation.

(2) No court other than that of a Metropolitan Magistrate or a Judicial Magistrate of the first class shall
try any offence punishable under this Act.

(3) Where a complaint has been made under clause (b) of subsection (1), the court may, on demand by
such person, direct the Appropriate Authority to make available copies of the relevant records in its
possession to such person.

CHAPTER VIII
MISCELLANEOUS

29. Maintenance of records.

(1) All records, charts, forms, reports, consent letters and all other documents required to be
maintained under this Act and the rules shall be preserved for a period of two years or for such period
as may be prescribed: Provided that, if any criminal or other proceedings are instituted against any
Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic, the records and all other documents
of such Centre, Laboratory or Clinic shall be preserved till the final disposal of such proceedings.

(2) All such records shall, at all reasonable times, be made available for inspection to the Appropriate
Authority or to any other person authorised by the Appropriate Authority in this behalf.

30. Power to search and seize records, etc.

–

(1) If the Appropriate Authority has reason to believe that an offence under this Act has been or is
being committed at any Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic or any other
place, such Authority or any officer authorised thereof in this behalf may, subject to such rules as may
be prescribed, enter and search at all reasonable times with such assistance, if any, as such authority or
officer considers necessary, such Genetic Counselling Centre, Genetic Laboratory or Genetic Clinic or
any other place and examine any record, register, document, book, pamphlet, advertisement or any
other material object found therein and seize and seal the same if such Authority or officer has reason
to believe that it may furnish evidence of the commission of an offence punishable under this Act.

(2) The provisions of the Code of Criminal Procedure, 1973 (2 of 1974) relating to searches and
seizures shall, so far as may be, apply to every search or seizure made under this Act.

31. Protection of action taken in good faith.- No suit, prosecution or other legal proceeding shall lie
against the Central or the State Government or the Appropriate Authority or any officer authorised by
the Central or State Government or by the Authority for anything which is in good faith done or
intended to be done in pursuance of the provisions of this Act.

31A. Removal of difficulties

–

(1) If any difficulty arises in giving effect to the provisions of the Pre-natal Diagnostic Techniques
(Regulation and Prevention of Misuse) Amendment Act, 2002, the Central Government may, by order
published in the Official Gazette, make such provisions not inconsistent with the provisions of the said
Act as appear to it to be necessary or expedient for removing the difficulty. Provided that no order
shall be made under this section after the expiry of a period of three years from the date of
commencement of the Pre-natal Diagnostic Techniques (Regulation and Prevention of Misuse)
Amendment Act, 2002.

(2) Every order made under this section shall be laid, as soon as may be after it is made, before each
House of Parliament.

32. Power to make rules

–

(1) The Central Government may make rules for carrying out the provisions of this Act.

(2) In particular and without prejudice to the generality of the foregoing power, such rules may provide for—

(i) The minimum qualifications for persons employed at a registered Genetic Counselling Centre,
Genetic Laboratory or Genetic Clinic under clause (2) of section 3;

(i-a) the manner in which the person conducting ultrasonography on a pregnant woman shall keep
record thereof in the clinic under the proviso to sub-section (3) of section 4;
(ii) The form in which consent of a pregnant woman has to be obtained under section 5;
(iii) The procedure to be followed by the members of the Central Supervisory Board in the
discharge of their functions under sub-section (4) of section 8;
(iv) allowances for members other than ex officio members admissible under sub section (5) of
section 9;
(iv-a) code of conduct to be observed by persons working at Genetic Counselling Centres, Genetic
Laboratories and Genetic Clinics to be laid down by the Central Supervisory Board under clause
(iv) of Section 16;
(iv-b) the manner in which reports shall be furnished by the State and Union territory Supervisory
Boards to the Board and the Central Government in respect of various activities undertaken in the
State under the Act under clause (iv) of subsection (1) of section 16A;
(iv-c) empowering the Appropriate Authority in any other matter under clause (d) of section 17A;
(v) The period intervening between any two meetings of the Advisory Committee under the
proviso to sub-section (8) of section 17;
(vi) The terms and conditions subject to which a person may be appointed to the Advisory
Committee and the procedure to be followed by such Committee under sub-section (9) of section
17;
(vii) The form and manner in which an application shall be made for registration and the fee
payable thereof under sub-section (2) of section 18;
(viii) The facilities to be provided, equipment and other standards to be maintained by the Genetic
Counselling Centre, Genetic Laboratory or Genetic Clinic under sub-section (5) of section 18;
(ix) The form in which a certificate of registration shall be issued under subsection (1) of section
19;
(x) The manner in which and the period after which a certificate of registration shall be renewed
and the fee payable for such renewal under sub-section (3) of section 19;
(xi) The manner in which an appeal may be preferred under section 21;
(xii) The period up to which records, charts, etc., shall be preserved under subsection (1) of
section 29;
(xiii) the manner in which the seizure of documents, records, objects, etc., shall be made and the
manner in which seizure list shall be prepared and delivered to the person from whose custody
such documents, records or objects were seized under sub-section (1) of section 30;
(xiv) Any other matter that is required to be, or may be, prescribed.

33. **Power to make regulations.** The Board may, with the previous sanction of the Central
Government, by notification in the Official Gazette, make regulations not inconsistent with the
provisions of this Act and the rules made thereunder to provide for--

(a) The time and place of the meetings of the Board and the procedure to be followed for the
transaction of business at such meetings and the number of members which shall form the quorum
under sub-section (1) of section 9;
(b) The manner in which a person may be temporarily associated with the Board under sub-section
(1) of section 11;
(c) The method of appointment, the conditions of service and the scales of pay and allowances of
the officer and other employees of the Board appointed under section 12;
(d) Generally for the efficient conduct of the affairs of the Board.

34. **Rules and regulations to be laid before Parliament.** – Every rule and every regulation made under
this Act shall be laid, as soon as may be after it is made, before each House of Parliament, while it is in
session, for a total period of thirty days which may be comprised in one session or in two or more
successive sessions, and if, before the expiry of the session immediately following the session or the
successive sessions aforesaid, both Houses agree in making any modification in the rule or regulation
or both Houses agree that the rule or regulation should not be made, the rule or regulation shall
thereafter have effect only in such modified form or be of no effect, as the case may be; so, however,
that any such modification or annulment shall be without prejudice to the validity of anything
previously done under that rule or regulation.
THE PRE-NATAL DIAGNOSTIC TECHNIQUES
(PROHIBITION OF SEX-SELECTION) RULES, 1996

1. Short title and commencement.- (1) These rules may be called the Pre-conception and Pre-natal Diagnostic Techniques (Prohibition of Sex Selection) Rules, 1996. (2) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions. - In these rules, unless the context otherwise requires:-
   (a) “Act” means The Pre-natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994 (57 of 1994);
   (b) “Employee” means a person working in or employed by a Genetic Counselling Centre, a Genetic Laboratory or a Genetic Clinic, and includes those working on part-time, contractual, consultancy, honorary or on any other basis;
   (c) “Form” means a Form appended to these rules;
   (d) xxxx
   (e) “Section” means a section of the Act;
   (f) Words and expressions used herein and not defined in these rules but defined in the Act, shall have the meanings, respectively, assigned to them in the Act.

3. The qualifications of the employees, the requirement of equipment etc. for a Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre shall be as under:
   (1) Any person being or employing
      (i) A gynaecologist or a paediatrician having six months experience or four weeks training in genetic counseling or
      (ii) A medical geneticist, having adequate space and educational charts/models/equipments for carrying out genetic counseling may set up a genetic counseling center and get it registered as a genetic counseling center.
   (2) (a) Any person having adequate space and being or employing
      (i) a Medical Geneticist and
      (ii) a laboratory technician having a B.Sc. degree in Biological Sciences or a degree or diploma in medical laboratory course with at least one year experience in conducting appropriate pre-natal diagnostic techniques, tests or procedures may set up a genetic laboratory.
   (b) Such laboratory should have or acquire such of the following equipments as may be necessary for carrying out chromosomal studies, bio-chemical studies and molecular studies:-
      (i) Chromosomal studies:
         (1) Laminar flow hood with ultraviolet and fluorescent light or other suitable culture hood.
         (2) Photo-microscope with fluorescent source of light.
         (3) Inverted microscope.
         (4) Incubator and oven.
         (5) Carbon-dioxide incubator or closed system with 5% CO2 atmosphere.
         (6) Autoclave.
         (7) Refrigerator.
         (8) Water bath.
         (9) Centrifuge.
         (10) Vortex mixer.
         (11) Magnetic stirrer.
         (12) pH meter.
         (13) A sensitive balance (preferable electronic) with sensitivity of 0.1 milligram.
         (14) Double distillation apparatus (glass).
         (15) Such other equipments as may be necessary.
      (ii) Biochemical studies: (requirements according to tests to be carried out)
         (1) Laminar flow hood with ultraviolet and fluorescent light or other suitable culture hood.
         (2) Inverted microscope.
(3) Incubator and oven.
(4) Carbon-dioxide incubator or closed system with 5% CO2 atmosphere.
(5) Autoclave.
(6) Refrigerator.
(7) Water bath.
(8) Centrifuge.
(9) Electrophoresis apparatus and power supply.
(10) Chromatography chamber.
(11) Spectro-photometer and Elisa reader or Radio-immunoassay system (with gamma betacounter) or fluorometer for various biochemical test.
(12) Vortex mixer.
(13) Magnetic stirrer.
(14) pH meter.
(15) A sensitive balance (preferable electronic) with sensitivity of 0.1 milligram.
(16) Double distillation apparatus (glass).
(17) Liquid nitrogen tank.
(18) Such other equipments as may be necessary.

(iii) Molecular studies:
(1) Inverted microscope.
(2) Incubator.
(3) Oven.
(4) Autoclave.
(5) Refrigerators (4 degree and minus 20 degree Centigrade).
(6) Water bath.
(7) Microcentrifuge.
(8) Electrophoresis apparatus and power supply.
(9) Vortex mixer.
(10) Magnetic stirrer.
(11) pH meter.
(12) A sensitive balance (preferable electronic) with sensitivity of 0.1 milligram.
(13) Double distillation apparatus (glass).
(14) P.C.R. machine.
(15) Refrigerated centrifuge.
(16) U.V. Illuminator with photographic attachment or other documentation system.
(17) Precision micropipettes.
(18) Such other equipments as may be necessary.

(3) (1) Any person having adequate space and being or employing
(a) Gynaecologist having experience of performing at least 20 procedures in chorionic villi aspirations per vagina or per abdomen, chorionic villi biopsy, amniocentesis, Cordocentesis foetoscopy, foetal skin or organ biopsy or foetal blood sampling etc. Under supervision of an experienced gynaecologist in these fields, or
(b) A Sonologist, Imaging Specialist, Radiologist or Registered Medical Practitioner having Post Graduate degree or diploma or six months training or one year experience in sonography or image scanning, or
(c) A medical geneticist
May set up a genetic clinic/ultrasound clinic/imaging center.

(2) The Genetic Clinic/ultrasound clinic/imaging center should have or acquire such of the following equipments, as may be necessary for carrying out the tests or procedures-
(a) Equipment and accessories necessary for carrying out clinical examination by an obstetrician or gynaecologist
(b) An ultra-sonography machine including mobile ultrasound machine, imaging machine or any other equipment capable of conducting foetal ultrasonography.
(c) Appropriate catheters and equipment for carrying out chorionic villi aspirations per vagina or per abdomen.
(d) Appropriate sterile needles for amniocentesis or cordocentesis.
(e) A suitable foetoscopy with appropriate accessories for foetoscopy, foetal skin or organ biopsy or foetal blood sampling shall be optional.
(f) Equipment for dry and wet sterilization.
(g) Equipment for carrying out emergency procedures such as evacuation of uterus or resuscitation in case of need.
(h) Genetic Works Station.

3A. Sale of ultrasound machines/imaging machines:
(1) No organization including a commercial organization or a person, including manufacturer, importer, dealer or supplier of ultrasound machines/imaging machines or any other equipment, capable of detecting sex of foetus, shall sell, distribute, supply, rent, allow or authorize the use of any such machine or equipment in any manner, whether on payment or otherwise, to any Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic, Imaging Centre or any other body or person unless such Centre, Laboratory, Clinic, body or person is registered under the Act.
(2) The provider of such machine/equipment to any person/body registered under the Act shall send to the concerned State/UT Appropriate Authority and to the Central Government, once in three months a list of those to whom the machine/equipment has been provided.
(3) Any organization or person, including manufacturer, importer, dealer or supplier of ultrasound machines/imaging machines or any other equipment capable of detecting sex of foetus selling, distributing, supplying or authorizing in any manner, the use of any such machine or equipment to any Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic, Imaging Centre or any other body or person registered under the Act shall take an affidavit from such body or person purchasing or getting authorization for using such machine/equipment that the machine/equipment shall not be used for detection of sex of foetus or selection of sex before or after conception.

4. Registration of Genetic Counselling Centre, Genetic Laboratory and Genetic Clinic:-
(1) An application for registration shall be made to the Appropriate Authority, in duplicate, in Form A, duly accompanied by an Affidavit containing-
   (i) an undertaking to the effect that the Genetic Centre/Laboratory/Clinic/ Ultrasound Clinic/Imaging Centre/combination thereof, as the case may be, shall not conduct any test or procedure, by whatever name called, for selection of sex before or after conception or for detection of sex of foetus except for diseases specified in Section 4(2) nor shall the sex of foetus be disclosed to any body; and
   (ii) an undertaking to the effect that the Genetic Centre/Laboratory/Clinic/ combination thereof, as the case may be, shall display prominently a notice that they do not conduct any technique, test or procedure etc. By whatever name called, for detection of sex of foetus or for selection of sex before or after conception.
(2) The Appropriate Authority, or any person in his office authorized in this behalf, shall acknowledge receipt of the application for registration, in the acknowledgement slip provided at the bottom of Form A, immediately if delivered at the office of the Appropriate Authority, or not later than the next working day if received by post.

5. Application Fee.-
(1) Every application for registration under rule 4 shall be accompanied by an application fee of:-
   (a) Rs.3000.00 for Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre.
   (b) Rs.4000.00 for an institute, hospital, nursing home, or any place providing jointly the service of a Genetic Counselling Centre, Genetic Laboratory and Genetic Clinic, Ultrasound Clinic or Imaging Centre or any combination thereof.
Provided that if an application for registration of any Genetic Clinic/Laboratory/Centre etc. has been rejected by the Appropriate Authority, no fee shall be required to be paid on re-submission of the application by the applicant for the same body within 90 days of rejection. Provided further that any
subsequent application shall be accompanied with the prescribed fee. Application fee once paid will not be refunded.

(2) The application fee shall be paid by a demand draft drawn in favour of the Appropriate Authority, on any scheduled bank payable at the head quarters of the Appropriate Authority concerned. The fees collected by the Appropriate Authority for registration of Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre or any other body or person under sub-rule (1), shall be deposited by the Appropriate Authority concerned in a bank account opened in the name of the official designation of the Appropriate Authority concerned and shall be utilized by the Appropriate Authority in connection with the activities connected with implementation of the provisions of the Act and these rules.

6. Certificate of registration. -

(1) The Appropriate Authority shall, after making such enquiry and after satisfying itself that the applicant has complied with all the requirements, place the application before the Advisory Committee for its advice.

(2) Having regard to the advice of the Advisory Committee the Appropriate Authority shall grant a certificate of registration, in duplicate, in Form B to the applicant. One copy of the certificate of registration shall be displayed by the registered Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre at a conspicuous place at its place of business:
Provided that the Appropriate Authority may grant a certificate of registration to a Genetic Laboratory or a Genetic Clinic, Ultrasound Clinic or Imaging Centre to conduct one or more specified pre-natal diagnostic tests or procedures, depending on the availability of place, equipment and qualified employees, and standards maintained by such laboratory or clinic.

(3) If, after enquiry and after giving an opportunity of being heard to the applicant and having regard to the advice of the Advisory Committee, the Appropriate Authority is satisfied that the applicant has not complied with the requirements of the Act and these rules, it shall, for the reasons to be recorded in writing, reject the application for registration and communicate such rejection to the applicant as specified in Form C.

(4) An enquiry under sub-rule (1), including inspection at the premises of the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre, shall, be carried out only after due notice is given to the applicant by the Appropriate Authority.

(5) Grant of certificate of registration or rejection of application for registration shall be communicated to the applicant as specified in Form B or Form C, as the case may be, within a period of ninety days from the date of receipt of application for registration.

(6) The certificate of registration shall be non-transferable. In the event of change of ownership or change of management or on ceasing to function as a Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre, both copies, of the certificate of registration shall be surrendered to the Appropriate Authority.

(7) In the event of change of ownership or change of management of the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre, the new owner or manager of such Centre, Laboratory or Clinic shall apply afresh for grant of certificate of registration.

7. Validity of registration. - Every certificate of registration shall be valid for a period of five years from the date of its issue.

8. Renewal of registration. –

(1) An application for renewal of certificate of registration shall be made in duplicate in Form A, to the Appropriate Authority thirty days before the date of expiry of the certificate of registration. Acknowledgement of receipt of such application shall be issued by the Appropriate Authority in the manner specified in sub-rule (2) of rule 4.

(2) The Appropriate Authority shall, after holding an enquiry and after satisfying itself that the applicant has complied with all the requirements of the Act and these rules and having regard to the advice of the Advisory Committee in this behalf, renew the certificate of registration, as specified in Form B, for a further period of five years from the date of expiry of the certificate of registration earlier granted.
(3) If, after enquiry and after giving an opportunity of being heard to the applicant and having regard to the advice of the Advisory Committee, the Appropriate Authority is satisfied that the applicant has not complied with the requirements of the Act and these rules, it shall, for reasons to be recorded in writing, reject the application for renewal of certificate of registration and communicate such rejection to the applicant as specified in Form C.
(4) The fees payable for renewal of certificate of registration shall be one half of the fees provided in sub-rule (1) of rule 5.
(5) On receipt of the renewed certificate of registration in duplicate or on receipt of communication of rejection of application for renewal, both copies of the earlier certificate of registration shall be surrendered immediately to the Appropriate Authority by the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre.
(6) In the event of failure of the Appropriate Authority to renew the certificate of registration or to communicate rejection of application for renewal of registration within a period of ninety days from the date of receipt of application for renewal of registration, the certificate of registration shall be deemed to have been renewed.

9. Maintenance and preservation of records.-
(1) Every Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre shall maintain a register showing, in serial order, the names and addresses of the men or women given genetic counseling, subjected to pre-natal diagnostic procedures or pre-natal diagnostic tests, the names of their spouses or fathers and the date on which they first reported for such counseling, procedure or test.
(2) The record to be maintained by every Genetic Counselling Centre, in respect of each woman counselled shall be as specified in Form D.
(3) The record to be maintained by every Genetic Laboratory, in respect of each man or woman subjected to any pre-natal diagnostic procedure/technique/test, shall be as specified in Form E.
(4) The record to be maintained by every Genetic Clinic, in respect of each man or woman subjected to any pre-natal diagnostic procedure/technique/test, shall be as specified in Form F.
(5) The Appropriate Authority shall maintain a permanent record of applications for grant or renewal of certificate of registration as specified in Form H. Letters of intimation of every change of employee, place, address and equipment installed shall also be preserved as permanent records.
(6) All case related records, forms of consent, laboratory results, microscopic pictures, sonographic plates or slides, recommendations and letters shall be preserved by the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre for a period of two years from the date of completion of counseling, prenatal diagnostic procedure or pre-natal diagnostic test, as the case may be. In the event of any legal proceedings, the records shall be preserved till the final disposal of legal proceedings, or till the expiry of the said period of two years, whichever is later.
(7) In case the Genetic Counselling Centre or Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre maintains records on computer or other electronic equipment, a printed copy of the record shall be taken and preserved after authentication by a person responsible for such record.
(8) Every Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre shall send a complete report in respect of all pre-conception or pregnancy related procedures/techniques/tests conducted by them in respect of each month by 5th day of the following month to the concerned Appropriate Authority.

10. Conditions for conducting pre-natal diagnostic procedures.-
(1) Before conducting pre-implantation genetic diagnosis, or any pre-natal diagnostic technique/test/procedure such as amniocentesis, chorionic villi biopsy, foetal skin or organ biopsy or cordocentesis, a written consent, as specified in Form G, in a language the person undergoing such procedure understands, shall be obtained from her/him: Provided that where a Genetic Clinic has taken a sample of any body tissue or body fluid and sent it to a Genetic Laboratory for analysis or test, it shall not be necessary for the Genetic Laboratory to obtain a fresh consent in Form G.
(1A) Any person conducting ultrasonography/image scanning on a pregnant woman shall give a declaration on each report on ultrasonography/image scanning that he/she has neither detected nor
disclosed the sex of foetus of the pregnant woman to anybody. The pregnant woman shall before undergoing ultrasonography/image scanning declare that she does not want to know the sex of her foetus.

(2) All the State Governments and Union Territories may issue translation of Form G in languages used in the State or Union Territory and where no official translation in a language understood by the pregnant woman is available, the Genetic Clinic may translate Form G into a language she understands.

11. Facilities for inspection.- (1) Every Genetic Counselling Centre, Genetic Laboratory and Genetic Clinic, Ultrasound Clinic, Imaging Centre, nursing home, hospital, institute or any other place where any of the machines or equipments capable of performing any procedure, technique or pre-natal determination of sex or selection of sex before or after conception is used, shall afford all reasonable facilities for inspection of the place, equipment and records to the Appropriate Authority or to any other person authorized by the Appropriate Authority in this behalf for registration of such institutions, by whatever name called, under the Act, or for detection of misuse of such facilities or advertisement therefore or for selection of sex before or after conception or for detection/disclosure of sex of foetus or for detection of cases of violation of the provisions of the Act in any other manner.

(2) The Appropriate Authority or the officer authorized by it may seal and seize any ultrasound machine, scanner or any other equipment, capable of detecting sex of foetus, used by any organization if the organization has not got itself registered under the Act. These machines of the organizations may be released if such organization pays penalty equal to five times of the registration fee to the Appropriate Authority concerned and gives an undertaking that it shall not undertake detection of sex of foetus or selection of sex before or after conception.

12. Procedure for search and seizure.- (1) The Appropriate Authority or any officer authorized in this behalf may enter and search at all reasonable times any Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre in the presence of two or more independent witnesses for the purposes of search and examination of any record, register, document, book, pamphlet, advertisement, or any other material object found therein and seal and seize the same if there is reason to believe that it may furnish evidence of commission of an offence punishable under the Act.

Explanation:- In these Rules-

(1) ‘Genetic Laboratory/Genetic Clinic/Genetic Counselling Centre’ would include an ultrasound center/imaging center/nursing home/hospital/institute or any other place, by whatever name called, where any of the machines or equipments capable of selection of sex before or after conception or performing any procedure, technique or test for pre-natal detection of sex of foetus is used;

(2) ‘material object’ would include records, machines and equipments; and

(3) ‘seize’ and ‘seizure’ would include ‘seal’ and ‘sealing’ respectively.

(2) A list of any document, record, register, book, pamphlet, advertisement or any other material object found in the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre and seized shall be prepared in duplicate at the place of effecting the seizure. Both copies of such list shall be signed on every page by the Appropriate Authority or the officer authorized in this behalf and by the witnesses to the seizure:

Provided that the list may be prepared, in the presence of the witnesses, at a place other than the place of seizure if, for reasons to be recorded in writing, it is not practicable to make the list at the place of effecting the seizure.

(3) One copy of the list referred to in sub-rule (2) shall be handed over, under acknowledgement, to the person from whose custody the document, record, register, book, pamphlet, advertisement or any other material object have been seized:

Provided that a copy of the list of such document, record, register, book, pamphlet, advertisement or other material object seized may be delivered under acknowledgement, or sent by registered post to the owner or manager of the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre, if no person acknowledging custody of the document, record, register, book,
(4) If any material object seized is perishable in nature, the Appropriate Authority, or the officer authorized in this behalf shall make arrangements promptly for sealing, identification and preservation of the material object and also convey it to a facility for analysis or test, if analysis or test be required: Provided that the refrigerator or other equipment used by the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre for preserving such perishable material object may be sealed until such time as arrangements can be made for safe removal of such perishable material object and in such eventuality, mention of keeping the material object seized, on the premises of the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic or Imaging Centre shall be made in the list of seizure.

(5) In the case of non-completion of search and seizure operation, the Appropriate Authority or the officer authorized in this behalf may make arrangement, by way of mounting a guard or sealing of the premises of the Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic Ultrasound Clinic or Imaging Centre, for safe keeping, listing and removal of documents, records, book or any other material object to be seized, and to prevent any tampering with such documents, records, books or any other material object.

13. Intimation of changes in employees, place or equipment. – Every Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre shall intimate every change of employee, place, address and equipment installed, to the Appropriate Authority within a period of thirty days of such change.

14. Conditions for analysis or test and pre-natal diagnostic procedures.- (1) No Genetic Laboratory shall accept for analysis or test any sample, unless referred to it by a Genetic Clinic.

(2) Every pre-natal diagnostic procedure shall invariably be immediately preceded by locating the foetus and placenta through ultrasonography, and the pre-natal diagnostic procedure shall be done under direct ultrasonography monitoring so as to prevent any damage to the foetus and placenta.

15. Meetings of the Advisory Committees.- The intervening period between any two meetings of Advisory Committees constituted under sub-section (5) of Section 17 to advise the Appropriate Authority shall not exceed sixty days.

16. Allowances to members of the Central Supervisory Board.- (1) The ex-officio members, and other Central and State Government officers appointed to the Board will be entitled to Travelling Allowance and Daily Allowance for attending the meetings of the Board as per the Travelling Allowance rules applicable to them.

(2) The non-official members appointed to, and Members of Parliament elected to the Board will be entitled to Travelling Allowance and Daily Allowance for attending the meetings of the Board as admissible to non-official and Members of Parliament as the case may be, under the Travelling Allowances rules of the Central Government.

17. Public Information.-

(1) Every Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre shall prominently display on its premises a notice in English and in the local language or languages for the information of the public, to effect that disclosure of the sex of the foetus is prohibited under law.

(2) At least one copy each of the Act and these rules shall be available on the premises of every Genetic Counselling Centre, Genetic Laboratory, Genetic Clinic, Ultrasound Clinic and Imaging Centre, and shall be made available to the clientele on demand for perusal.
