2. Hon'ble Supreme Court vide its judgement dated 13<sup>th</sup> December, 2012 in WP(C) 284 of 2012, had directed all State Governments to authorize hospitals and medical officers in those hospitals to issue Health Certificates (as per the prescribed format) free of cost, to those desirous of undertaking Shri Amarnathji Yatra. Accordingly, all the State Governments/ Union Territories (UTs) are requested to send to the SASB a consolidated list of the designated Doctors (by their official designations) and of the hospitals that would issue Compulsory Health Certificates (CHCs) to the intending Yatris for the Yatra. This is being done before every Yatra since 2013.

3. While perusing the list of Doctors nominated by the States/ UTs who were authorised to issue CHCs for previous Yatras, it has been observed that some States/UTs were nominating doctors by their "official designation", but rather "by name". In alternate, they had framed committees at District level/ Sub- District level Hospitals to issue CHCs. The pilgrims from such States/ UTs where doctors were nominated by "name" have been observed to suffer avoidable hardships due to transfer/ retirement of some of the nominated doctors and lack of timely replacements communicated to the Shrine Board. This has made securing of CHCs a herculean task for many intending pilgrims at times.

4. In the aforesaid context the following are requested from the States and UTs:

- i. Doctors and Medical Institutes/ Reputed Private Medical Institutes must be nominated by their "official designation" by your State / UT for issuance of Compulsory Health Certificates for Yatra 2024.

- ii. Their consolidated list must be communicated to SASB by or before 10<sup>th</sup> March, 2024.
- iii. The nominated Doctors should specifically be directed to indicate their "MCI Registration Number" and "Name" at appropriate place indicated in the enclosed CHC at Annexure-I (in English and Hindi) and not to leave any space blank while issuing the Compulsory Health Certificates.
- iv. The nominated Doctors may further be directed to ensure foolproof and effective screening of pilgrims intending to undertake Shri Amarnathji Yatra 2024, including their status vis-a-vis cardiac/ pulmonary issues/ hypertension/ diabetes etc. before issuing CHCs to them which states that the intending pilgrim is fit to undertake the Yatra to the Holy Cave.
- v. Adequate number of doctors should be nominated for each city / town by their "official designation" along with their official telephone and mobile numbers.
- vi. The list should also be shared with SASB in excel format (soft copy) by e-mail at [sasbjk2001@gmail.com](mailto:sasbjk2001@gmail.com) by or before 10<sup>th</sup> March, 2024 so that the same can be updated on SASB's website for timely and effective information dissemination to intending pilgrims and hassle free issue of CHCs for Yatra 2024.
- vii. The indicative guidelines for Doctors/ Medical Institutions authorized to issue Compulsory Health Certificates for Shri Amarnathji Yatra 2024 (enclosed at Annexure-II) must be circulated to the nominated doctors/ hospitals in this regard for their ready reference.

5. I shall be grateful for the timely action as requested for above and for communications being sent to Shri Amarnathji Shrine Board in follow up of the directions of the Hon'ble Supreme Court.

*with regards,*

Yours sincerely,

Encl: as above
