Dated: 7/8/2020

**District Collectors
All Districts**

Sub: Regarding preparedness & monitoring of COVID 19 at Private Hospitals

As you are aware the state is facing a situation of Novel Corona virus Disease 2019 (COVID19). The M&H Department, GoR is dedicatedly putting in place all possible preventive and curative measures to deal with the medical emergency in the state.

During this time of crisis, I request you to hold a meeting with the district IMA / MPS officials and representative of larger private hospitals of your district on priority, to monitor all aspects related to COVID-19 issues, so that these institutions are prepared to deal with any unforeseen emergency arising thereof.

The private hospitals may be directed to ensure the following:-

- Availability of functional Isolation Ward at all hospitals
- Timely redressal of deficiencies pertaining to Oxygen supply connector, Ventilator connection, Humidifier, ECG machine, Lift facility etc.
- Sample collection of only symptomatic patients, avoiding unnecessary samples
- Adherence to GoI & GoR Guidelines issued from time to time.
- Institutions must have their infection control committee & appoint a nodal medical officer for COVID-19.

CM&HO Office should be directed to compile the information of suspect Corona virus cases from private hospitals and report to state HQ (Dr. Kalpana Vyas, Exe. Dir-Logistics, RMSCL at 9414462476) on a daily basis. For any query, related to Corona virus containment they can contact Dr. Praveen Aswal, State Nodal Officer, IDSP on 9549896666.

With warm regards,

Rohit Kumar Singh (IAS)
ACS (M, H&FW)
