Respected Sir,

Through above referenced letter Mrs. Preeti Sudan, Secretary, Ministry of Health, GoI has informed that, in India 5000 railway coaches are converted to CCC. These coaches may be used in areas where state has exhausted the already existing facility.

Therefore through my above referenced letter I requested you to nominate one of your officers as Nodal Officer for these coaches in each district and direct him to co-ordinate with Chief Medical & Health Officer (CM&HO) of respective districts and to share the name and other details of the nominated nodal officers on E-mail rajcovid19@gmail.com. The same is still pending.

Therefore it is again requested you to share the required details with station wise list of number of available coaches converted into CCC and number of isolation beds at earliest.
