To be re-submitted at Google Playstore tomorrow owing to the recent systemic enhancement. App may get published by Thu/Fri.

eSanjeevani OPD is a National Teleconsultation Service of Ministry of Health and Family Welfare Government of India. It provides healthcare services to patients in their homes. After a long and arduous journey, the digital collaboration between a doctor in a hospital and a patient in the comfort of his/her home has emerged as eSanjeevani (OPD). Stay Home (OPD) has been developed by Health Informatics Group for the development of Advanced Computing (IIT-Delhi) in Medical Field.
